Guests Present

Bill Kimmrich and Charlotte Walters

Senior Vice-Commander Scott Debo began the meeting at 2:00 with the opening ceremonies. Secretary Larry Sheibley read the January minutes and Treasurer David Demmy, Sr., reported \$1881 in the camp account.

Secretary Sheibley reported the following: Camp 15 has an article in the PA Department newsletter, Battle Cry of Freedom; the Appomattox Luncheon is 21 April in Williamsport; and the PA Department Encampment, 21-23 June, will be held in Greensburg. Please see the Camp Secretary for a credentials card in order to attend this convention. Six Camp 15 brothers have unpaid 2012 dues. Second notices will be sent 21 February.

Junior Vice-Commander Jeff Smith is obtaining information on setting up a Camp 15

recruitment booth at the June and November Civil War gun shows in Gettysburg. Our camp had recruitment tables at the Harrisburg National Civil War Museum and the Carlisle Army Heritage Center on Saturday 18 February.

Camp 15 and Sunbury Camp 503 will be having a combined field trip Saturday 31 March to the Scranton GAR Post. Arranged by Joe Long of Scranton Lt. Ezra Griffin Camp #8, the luncheon will begin at 11:00 followed by a museum tour.

Tony Kline and Floyd Demmy asked about searching for Civil War ancestry. Rev. Logan Garth Swanger volunteered to design a genealogy worksheet. Lee Walters stated that Camp 15 owns a gun safe stored at his residence. Since we previously sold our rifles, the safe is empty and up for sale. Contact the camp if interested in the purchase.

Camp 15 welcomed visitor Bill Kimmich who heard about our organization at one of yesterday's recruitment tables. We hope he will be a future member.

After listing some February events, Patriotic Instructor Dave Klinepeter spoke of the Civil War Colored PA Troops which were originally trained in Massachusetts before a training program was established in our state. Harrisburg's GAR David Stephens Post 520 was chartered for colored veterans.

Brother Tony Kline spoke on the U.S. Coast Guard of which he was a member in the 1950's. The service began in 1790 as the U.S. Revenue Marines and changed in 1863 to the Revenue Cutter Service. Using a poster display to back-up his talk, he noted historical dates, light houses, duties, and cutter ships. The Harriet Lane was three successive cutters named after President James Buchanan's niece. The Coast Guard Academy opened in 1876 in New Bedford, MA, and later moved

to New London, CT. On behalf of the eighteen people present, thanks for the information, display, and presentation! This was another great oration by a Camp 15 brother.

The March meeting will be on the second floor of the National Civil War Museum with an outside presentation by Cooper's Battery. Dress warmly, possibly.

Fraternity, Charity, and Loyalty,  
Larry Sheibley-Beasom, PCC  
Secretary, SUVCW Camp 15

March 31 Field Trip to the GAR Museum in Scranton

This will be a joint field trip for Members of Camp 15 & Camp 503, with each Camp's Auxiliary being welcome to join us. Camp 8 in Scranton will be hosting us and providing a light lunch. They request that we be there by 11:00 AM. **A head count must be provided by March 11** so they have time to prepare. Please RSVP to Greg Kline at [gregsuvchw@yahoo.com](mailto:gregsuvchw@yahoo.com) or by phone at 717-571-6877. Once I have a head count, I will send directions and other details to those who sign up. We can also talk about car pooling, stopping for dinner later in the day, etc once we have the head count.

Cooper's Battery B Artillery Demonstration for Camp March 18 Meeting

Cooper's Battery B will present an artillery demonstration for the Camp meeting in conjunction with the National Civil War Museum. The Battery is scheduled to be on the grounds from 12-4 and to fire the gun at 1:00 and 3:00. The 3:00 time slot should fit in well with the Camp's meeting schedule.

Army Heritage Days at the U.S. Army Heritage & Education Center in Carlisle May 19-20  
9 to 5 each day

On February 18 camp 15 participated in Recruiting Expo at Army Heritage Center. With around 300 attendees, we passed out a stack of Camp newsletters, numerous past copies of the Banner and 14 applications. We have been invited to recruit again at 2012 May Army Heritage Days. Last year they had attendance of over 11,000!! This would be a great recruiting opportunity but we have to act fast. The event is focused heavily on reenactors and I was told that heritage groups and other societies such as the SUVCW will have limited opportunities to participate. We need to let them know **ASAP** if we will attend, really in the next 2-3 weeks. If you can participate, send a reply to Greg Kline at [gregsuvchw@yahoo.co](mailto:gregsuvchw@yahoo.co) or call me at 717-571-6877 by **no later than March 11 but sooner is better!**

[PATRIOTIC INSTRUCTOR and GAR HISTORIAN](#) by Dave Klinepeter

I have been surprised at the amount of material and information generated over the 150th anniversary of the Civil War. I am sure it will continue into 1865 and the end of the war. In a way this is good. For years, many of us tried to encourage the younger generations to learn about our country's history (which lacks teaching in school). Over the years, movies such as *Killer Angels*, *Glory*, Ken Burn's *Civil War*, also writers, researchers, and especially reenactors have been able to stimulate some peoples interest in our history and also if they may have had an ancestor who helped preserve the UNION. We the Sons of Union Veterans of the Civil War need to recruit some of these people to keep us growing and to help preserve the past.

\*\*\*\*\*

*The 150th of the Civil War is now in the second year 1862.* On Jan 18, 2012 the National Civil War Museum in Harrisburg, PA., had a reception to preview a new exhibit in honor of the Civil War Sesquicentennial 1862. Dana Shoaf, editor of the Civil War Times magazine gave an interesting speech on the crucial year of 1862 and how the Confederates had the potential to win the war. The new exhibit is located on the 1st floor gallery next to the Lincoln exhibit.

**Save a life save your kitchen.**

At a Fire Fighting Training school they demonstrate this with a deep fat fryer set on the fire field. An instructor would don a fire suit and using an 8-oz. cup at the end of a 10-foot pole to toss water onto the grease fire.

The results got the attention of the students. The water, being heavier than oil, sinks to the bottom where it instantly becomes superheated.

The explosive force of the steam blows the burning oil up and out. On the open field, it became a thirty-foot high fireball that resembled a nuclear blast. Inside the confines of a kitchen, the fire ball hits the ceiling and fills the entire room. Also, do not throw sugar or flour on a grease fire. One-cup of either creates the explosive force of two sticks of dynamite.
